

Four Become One
Hawthorne Heights

This is their tribute song to Casey Calvert. I think this is right. Yeah, I really do...Hope you like it...=)

Verse 1:

G **D** **Am** **Em** **F#m** **G**
And you will live on. Our hearts will beat stronger.
D **Am** **Em** **F#m** **G**
As we remain as one, we will last just a little while longer.
D **Am** **G** **Am**
And as we pull ourselves together, we can't help but be torn apart.
Em **D** **Am** **C**
And we will always have each other just like it was from the start.

Chorus:

G **D** **Em** **C** **G**
When five becomes four, and four becomes one.
D **Em** **C**
You're not just passing on. You're passing on all the
D **Em** **C**
fun we had. You made us laugh. We only cried but once.
D **Em** **C**
You made us laugh in photographs on display for everyone.
