**C#5** x8 **Ab5** x5 **Bb5** x8 **Ab5** x8

**Ab5** **C#5** x9 **Bb5** x9

**Ab5** **C#5** x9 **Bb5** x9

**C#5**                    **A5**                                    **Bb5**  
I hope this song can tell you how I feel tonight

**C#5**                    **A5**                                    **Bb5**  
You are my first dissection spilling my insides

**C#5**                    **A5**                                    **Bb5**  
Let s write our names with the blood that s in our cheeks

**C#5**                    **Ab5**                                    **Bb5**                                    **Ab5**  
So it won t wash away if I don t come home for weeks

**B5**    **Ab5**    **C5**                    **B5** **Ab5** **C5** **C#5**  
And I don t come home...

**Ab5** **C#5**  
                  I never said

This would be easy  
**Bb5**  
I let her go when she said she was leaving

**Ab5** **C#5**  
                  So whisper softly

And don t forget  
**Bb5**  
To tell me how you feel in five words or less

**C#5**                    **A5**                                    **Bb5**  
I knew I should have never offered you the world

**C#5**                    **Ab5**                                    **Bb5**                                    **Ab5**  
The nights are full of faces you re the only girl

**C#5**                    **A5**                                    **Bb5**  
Turn my world from disaster

**C#5**                    **Ab5**                                    **Bb5**                                    **Ab5**  
Make my heart start beating faster

**C#5**                    **A5**                                    **Bb5**  
Ask the question, here s the answer

**C#5**                    **Ab5**                                    **Bb5**                                    **Ab5**

I need you now and I can't stand this
