

Consider Me
Hayden Panettiere

A E B X2

When all the bright lights have shut down
And they have closed every door in town

F#m E B X2
Ill be around

and there is nobody left to call
and your surrounded by these walls
Ill make them fall
ill make them fall

B D A G x2
ahhh ahhhh ahhhh ahhhh

When all the money has been spent
and you ve thrown away every cent

F#m E B
ill take you in

when you are drifting off to sleep
maybe tonight in your dreams

F#m E B
consider me X2

B D A G X6
