[Intro]

**C\* C C\* C Em** (x2)

[Verse 1]

**C** **Em**  
So you think that you re the one who s up in score.  
**C** **Em**  
Just cause you re the first one walking out the door.  
**F** **G** **F** **D**  
Well take it when you leave, I don t need the sympathy

[Chorus]

**Am** **F**  
I mma stay up drunk on wine, hurt like hell, and ugly crying,  
**C** **Em**  
black mascara tears.  
**Am** **F**  
I mma lock my door, sleep with my phone, miss you there for a month or so.  
**C** **Em**  
But let me tell you something, my dear.  
**F** **C**  
I m gonna be just fine, but you re never gonna find another love like mine.  
**Em**  
Oh, no, no.

[Verse 2]

**C** **Em**  
See I think you think that new means better off.  
**C** **Em**

But the proof s in the pudding once the shot is lost.

**F** **G** **F** **D**  
So go and get yourself a little taste of something else.

[Chorus]

**Am** **F**  
I mma stay up drunk on wine, hurt like hell, and ugly crying,  
**C** **Em**  
black mascara tears.  
**Am** **F**  
I mma lock my door, sleep with my phone, miss you there for a month or so.  
**C** **Em**  
But let me tell you something, my dear.  
**F** **C**  
I m gonna be just fine, but you re never gonna find another love like mine.  
**Em**  
Oh, no, no.

**F** **G** **F** **D**  
It started to sound like a good idea, the more we re standing here.

[Chorus]

**Am** **F**  
I mma stay up drunk on wine, hurt like hell, and ugly crying,  
**C** **Em**  
black mascara tears.  
**Am** **F**  
I mma lock my door, sleep with my phone, miss you there for a month or so.  
**C** **Em**  
But let me tell you something, my dear.  
**F** **C**  
I m gonna be just fine, but you re never gonna find another love like mine.  
**Em**  
Oh, no, no.

[Outro]

**F**  
I m gonna be just fine, but you re never gonna find, no!  
**F**  
I m gonna be just fine but you re never gonna find, no!  
**F** **C**  
I m gonna be just fine but you re never gonna find another love like mine.  
**Em**  
Oh no no.  
**C**  
Never gonna find another love like mine.  
**Em**  
Oh no no.
