

G F Dm
I donâ€™t believe that pretty smile, pretty smile
(no chord)
My intuition can see for miles and miles baby
Every little sin, and everywhere youâ€™ve been

(chorus)

A G Dm
You canâ€™t hide from me,
A G Dm
There ainâ€™t no tricks that you can try on me
A G Dm
I know your every move before you even breathe baby
A G
Thinking you know something I donâ€™t know
G A G Dm
But my eyes, my eyes, my eyes are like a telescope Yeah, yeah

(instrumental)

A G Dm, A G Dm, A Dm

(bridge)

(no chord)

You left your troubles in my head, in my head
You left your secrets in my bed,

(chorus)

A G Dm
You canâ€™t hide from me,
A G Dm
There ainâ€™t no tricks that you can try on me
A G Dm
I know your every move before you even breathe baby
G F Dm
Thinking you know something I donâ€™t know but my eyes,

(out)

A G Dm
You canâ€™t hide from me,
A G Dm
There ainâ€™t no tricks that you can try on me
A G Dm
I know your every move before you even breathe baby
G F Dm
Thinking you know something I donâ€™t know
