Dont Get In Our Way
Hayden Stone

This is my first tab and I wrote this song so i know it is right.
Alternate between G and C when singing the Jesus part.

Jesus(4x)
```
   G         C
```
Take me by the hand
```
   Em             D
```
and tell me that your my friend
```
   G(Em)         C(D)
```
don t get in our way(2x)
(Chorus)
```
     G          C
```
I will run into your arms
```
       Em           D
```
like a shadow in the night
```
      G          C
```
i will walk the streets of gold
```
        Em           D
```
when i see you in the sky

Jesus(4x)
```
      G           C
```
When I look into your face
```
     Em                   D
```
I know that everything is going to be O.K.
```
      G(Em)      C(D)
```
Don t get in our way(2x)

(Chorus)
```
       G                  C
```
we will see our loved ones you and me
```
    G(Em)        C(D)
```
don t get in our way(2x)

(Chorus)(2x)
