I should have took you by surprise

and told you how beautiful the sky
G C F Dm G
looked with you in front of that night
C F Dm G
I should have lied.
C F Dm
I should have took you by the hand
G C F Dm
And told you that I was no man
G C F Dm

Those weeks that you walked on my land
C F Dm
In all my reasons there were none
G C F Dm
Truthful that night I said run
G C F Dm

And the truth is you just weren t the one
C F Dm G
You weren t the one
C F Dm G
You weren t the one
