

Blurry Nights Hayden

Blurry Nights - Hayden
Us Alone

[Intro]

Am C F C (x4)

[Verse 1]

(Hayden)

F C G C

Hey,

F C G C F C G C

Out of my blurry nights, ours was the one I liked most of all

F C G C

It s ok,

F C G C F C G C

That we had nothing to say, and that didn t get in the way if I recall

Am C F C

Am C F C

[Verse 2]

(Lou)

F C G C

By the way,

F C

As soon as you left my place,

G C F C G C

I walked the streets for a trace of you in the sprawl

F C G C

Then today,

F C G C G C F

C G C

We find ourselves exchanging thoughts on the size of the world in some hole in the wall

[Chorus]

F Em C Em

I don t know how to do this

F Em C Em

But will you leave here with me right now

F Em Am Em

C

Nothing good can ever come from this in the long run but lets not dismiss all the fun we can have

Em

tonight,

Am

D

F

C

If we forget how we might feel in the morning light

G C

F

C

G

C

How we ll feel in the morning light

Am C F C

Am C F C

(Hayden)

F

C

G

C

You,

F

C

G

C

F

C

G

C

Say you like being alone, while looking down at your phone like it s some marquis

(Lou)

F

C

G

C

And you,

F

C

G

C

F

C

G

C

Stay home most of the time, thinking of ways to rhyme, while dreaming your dreams

F

Em

C

Em

I don t know how to do this

F

Em

C

Em

But will you leave here with me right now

F

Em

Am

Em

C

Nothing good can ever come from this in the long run but lets not dismiss all the fun we can have

Em

tonight,

Am

D

F

C

If we forget how we might feel in the morning light

G C

F

C

G

C

How we ll feel in the morning light

F

C

G

C

How we ll feel in the morning light

Am C F C

repeat until fade, end on **Am**
