C#

(V): Could I be the one thing

E

Missing from your life and

B

From your every day

A

I need you to be beside me

-

Why don t you call me and we ll see

I see you having coffee

You were almost beside me

Laughing with your friends

I tell Lorraine to look at you

I tell her I need to tell

E

A

(Cl):You... I don t know you

E

A

You... but I want to

E

A

Tell you... I just can t leave here

B

Without telling you

C#

Just how lonely I ve been lately

-

You are just as lonely maybe

-

-

We should go out for some coffee

(V): I wonder how I can

Give you my phone number

And not be so afraid
I ask Lorraine to give it to
You, and I go to the washroom

I return to the table
I look but I m unable
To find you anywhere
I ask Lorraine to look for you
I tell her I need to tell

(C1):You...

(V): On the way out the door
Lorraine lets me know that
She went up to you
Gave you my number and said
Call him or else he ll be

E **A**

(C2):Sad... and I waited

E **A**

Waited... for two weeks and

E **A**

And... I realized that you d

B

Never call me

C#

How could I have been so stupid

-

I should have gone up to you and

-

Told you myself how you made me

-

Feel

I m a big fan of Hayden s stuff, and would love it if some one
posted anything else by him. Or let me know if you use this.
