Verse:

E

I was driving north

Am

E

By myself feeling sad of course

Am

E

Off a two lane highway I was forced

Am

To get out of my car

E

Five police cars froze

Am

E

By the side of the road in a row

Am

E

Flashing lights all over snow

Am

E

Looking for someone who d flown

Am

Out into the night

Em **Am**

Em **Am**

E

Twenty miles before

Am

Em

A family in a car

Am

E

Drove in front of me for an hour

Am

E

I got to know the kids from their smiles

Am **E**

Looking back to me

Am **E**

Looking back to me

Am **E**

Looking back to me

It s such a simple song that you can fool around with the strumming and picking
and make it your own.
