you were loved -- hayden  
everything I long for

Listen to the song for the hammer-on s and occasional slides  
from C\* to D\* and you re set. Note that the E5\* is picked, not  
strummed.

Ever wonder if musicians check to see if someone s tabbed out  
any of their songs? Ever wonder if they get tempted to correct  
them? If so -- my sincere apologies, hayden. :)

Standard tuning.
