

**Beyond The Blues**  
**Hayes Carll**

Capo 2

[D] [G] [D] [Dsus2] [D]  
Old man on the corner, singing my life  
[G] [D] [Dsus2] [D]  
He s playing guitar with a rusty old knife  
[G]  
Each line that he sings rhymes with the truth  
[D] [A] [G]  
And the promise of something beyond the blues

[D] [G] [D] [Dsus2] [D]  
You and me darling took the long way around  
[G] [D] [Dsus2] [D]  
Across the wide open country, past the heart attack town  
[G]  
Hit the fork in the road where we all have to choose  
[D] [A] [G]  
Between darkness and light, beyond the blues

[D] [G]  
Beyond the shadows, and the rain  
[A] [D]  
Beyond the darkness, beyond the pain  
[G] [D] [Dsus2] [D]  
You know in your heart there s no way I push through  
[A]  
Take a walk with me darling  
[G]  
Beyond the blues

Solo

[D] [G] [D] [Dsus2] [D]  
That old man on the corner he s been gone for years  
[G] [D] [Dsus2] [D]  
His guitar and knife all rusted with tears  
[G]  
There s a song that he gave us that we ll never have to lose  
[D] [A] [G]  
About another life waiting beyond the blues

[D] [G]  
Beyond the shadows, and the rain  
[A] [D]

Beyond the darkness, beyond the pain

[G]

You know in your heart there s no way I push through
