Now he s up there in the sky
And I m stuck with Live Free or Die

Live Free or Die

[Verse]

So let this be a lesson

To all you married men out there

That patience is a virtue

So make your plans with care

And if you catch your wife with another man

Well it s best to hold off as long as you can

And shoot him in another state

Where they got a different license plate

[Chorus]

G

Live Free or Die

Oh Lord tell me why
