We just won t come on Christmas or any other holiday

You say behave yourself, I ll say I ll try

You say don t go out tonight

And I say why but it s okay, it s okay

Everything s gonna be just fine

You can fall asleep in your bed honey, I ll just lost and turn in mine

You makin money honey, gonna be a star

I lie around all day and play guitar

But it s okay, it s okay

Everything s gonna be alright

I ll make breakfast every mornin sugar sing you lullabies at night

Well you like checkers, and I like chess

I like you naked, you like to dress

But it s okay, it s okay

Everything s gonna be just fine

Every Friday, naked checkers, honey, I bet you beat me every time
