Part 2: Gatekeeper

[Verse 1]

**G** **Em**

Stuck in the traffic that's racing in my mind

**G** **Em**

Blankets of wool just to cover up my eyes

**Am** Cause what I need, what I need is quiet  
**Em**  
**Am** And I know what I need, what I need is hiding  
**Em**  
**G** I m just a face someone s passing on the street  
**Em**  
**G** Paint on a smile so that no one ever sees

**Am** Cause what I need, what I need is quiet  
**Em**  
**Am** And I know what I need, what I need is hiding

[Bridge]

**G** Talk to me, keep on, talk to me  
**Am**

**Em**  
Oh, oh, oh

**A**  
Oh, oh, oh

**G** Talk to me, keep on, talk to me  
**Am**

**Em**  
Oh, oh, oh

**A**  
Oh, oh, oh

[Interlude]

N.C.  
It s easier for me to stay quiet, not speak a word  
N.C.  
For if I do, then the truth might emerge  
N.C.  
They are my emotions to feel  
N.C.  
Nobody can poison my feelings if they re never revealed  
N.C.  
I ll watch others live in loudness and I ll destroy the chaos in my way  
N.C.  
I have the control  
N.C.  
If I keep what s mine, I can have the purest soul  
N.C.  
And live with content, free from fear  
N.C.  
I choose my actions  
N.C.  
I am the gatekeeper

[Chorus]

**G** Just give me mercy  
**Em** cause I keep hurting, hurting  
**G**  
**Em**

Just give me mercy cause I keep hurting, hurting

**G** **Em**

Just give me mercy cause I keep hurting, hurting

**A**

Hurting, hurting

**G** **Em**

Just give me mercy cause I keep hurting, hurting

**G** **Em**

Just give me mercy cause I keep hurting, hurting

**G** **Em**

Just give me mercy cause I keep hurting, hurting

**A**

Hurting, hurting

[Outro]

**G** **Em**

Don t let me die

**Am** **G**

With my soul in the air

**G** **Em**

Don t let me die

**A** **G**

When there s nobody here
