Hayley Kiyoko

**F**

There s a silent peace

**Gm Dm**

In the tragedies

**Dm**

Water washes clean

**Bb F**

Until they re dry

**F**

Turn your shattered dreams

**Gm Dm**

Into rhapsodies

**F**

This is where I keep you in my mind

**F Gm Dm**

I need you to be free

**F**

So this is where I leave you

**Gm Dm**

Sitting in a palace covered in gold inside my head

**Dm**

This is where I see you

**Bb F**

On a bed of roses when I wanna kiss your silhouette

**F**

Hoo, hooo, hoo, hooo

**Gm Dm**

This is where I leave you

**F Gm Dm**

Every memory adds another piece

**Dm**

Purple, blue, and green

**Bb F**

Just rest your eyes

**F**

Fortunes in the trees

**Gm Dm**

Pure as harmony

**F**

This is where I keep you in my mind

**F Gm Dm**

I need you to be free

**F**

So this is where I leave you

**Gm Dm**

Sitting in a palace covered in gold inside my head

**Dm**

This is where I see you

**Bb F**

On a bed of roses when I wanna kiss your silhouette

**F**

This is where I leave you

**Gm Dm**

Sitting in a palace covered in gold inside my head

**Dm**

This is where I see you

**Bb F**

On a bed of roses when I wanna kiss your silhouette

**F**

Hoo, hooo, hoo, hooo

**Gm Dm**

This is where I leave you

**F**

Dance in your color

**Gm Dm Bb**

Reflecting in your light

**F**

You re my horizon

**Gm Dm**

You ll always paint my sky

**F**

So this is where I leave you

**Gm Dm**

Sitting in a palace covered in gold inside my head

**Dm**

This is where I see you

**Bb F**

On a bed of roses when I wanna kiss your silhouette

**F**

This is where I leave you

**Gm Dm**

Sitting in a palace covered in gold inside my head

**Dm**

This is where I see you

**Bb F**

On a bed of roses when I wanna kiss your silhouette

**F**

Hoo, hooo, hoo, hooo

**Gm Dm**

This is where I leave you
