I heard this song, and I just had to know how to play it. So here you are, enjoy!

**Am G C F C F C G**  
**Am G C F C F C G**

**Am G C**  
Pillow s soft, cover s warm  
**F C F C G**  
And it s getting easier not to wake you up

**Am G C**  
Don t you know that I know  
**F C F C G**  
All of the reasons that you have got to go

**C G Am F**  
And I ve been trying to save you  
**C G Am F**  
And I ve been trying to change you  
**C G Am F**  
But I can t take watching you slip away

**Am G C F C F C G**

**Am G C**  
In your dreams, nothing s real  
**F C F C G**  
And there are no scars or permanent marks to bear

**Am G C**  
Lights are low, heart of stone  
**F C F C G**  
But it makes the minutes not seem so infinitely cold

**C G Am F**  
But I ve been trying to save you  
**C G Am F**  
I ve been trying to blame you  
**C G Am F**
