

**Wings To Fly
bless These Wings**
Hayley Westenra

A **E**
I, I have a dream
D **E**
A dream of you and me
Am **E**
Weâ€™re flying high above
Am **E**
Weâ€™re soaring over sea

A **E**
Bless me with some wings
D **E**
For I, so want to fly
Am **E**
These precious white wings
Am **E**
Will take me soaring high

A **E**
To the sun that lights the day
D **E**
To the clouds that drift away
D **E**
Only then will I be free
A **E**
Past the city lights and haze
D **E**
Through the autumn trees ablaze
D **E**
In the sky, I am truly free
A
Just you and me

A **E**
I, I have a dream
D **E**
Weâ€™re high above the trees
Am **E**
The wind is in my hair
Am **E**
The ocean breeze takes me

A **E**
Tell me, what can I do?
D **E**
To earn, earn me some wings?
Am **E**
