

Airplains

Hayley Williams

Airplains - Hayley Williams feat. B.o.B.

Tabbed by: TheRealDilara

Tuning: Standard

Capo 3

the whole song repeat **F#m D A Bm** strumming pattern: dduudu

[Chorus - Hayley Williams]

Can we pretend that airplanes

In the night sky

Are like shooting stars

I could really use a wish right now (wish right now, wish right now)

Can we pretend that airplanes

In the night sky

Are like shooting stars

I could really use a wish right now (wish right now, wish right now)

[Verse 1 - B.o.B]

Yeah

I could use a dream or a genie or a wish

To go back to a place much simpler than this

Cause after all the partyin and smashin and crashin

And all the glitz and the glam and the fashion

And all the pandemonium and all the madness

There comes a time where you fade to the blackness

And when you re staring at that phone in your lap

And you hoping but them people never call you back

But that s just how the story unfolds

You get another hand soon after you fold

And when your plans unravel

And they sayin what would you wish for

If you had one chance

So airplane airplane sorry I m late

I m on my way so don t close that gate

If I don t make that then I ll switch my flight

And I ll be right back at it by the end of the night

[Chorus - Hayley Williams]

[Verse 2 - B.o.B]

Somebody take me back to the days

Before this was a job, before I got paid

Before it ever mattered what I had in my bank

Yeah back when I was tryin to get a tip at subway
And back when I was rappin for the hell of it
But now a days we rappin to stay relevant
I m guessin that if we can make some wishes outta airplanes
Then maybe yo maybe I ll go back to the days
Before the politics that we call the rap game
And back when ain t nobody listened to my mix tape
And back before I tried to cover up my slang
But this is for Decatur, what s up Bobby Ray
So can I get a wish to end the politics
And get back to the music that started this sh-t
So here I stand and then again I say
I m hopin we can make some wishes outta airplanes
[Chorus]
