

**Wish I Was You**  
**Hayseed Dixie**

I saw that someone else requested this, and I felt I had to oblige. Love this tune.

**F#** **B** **C#**  
Well I think, that you re really really cool,

**F#** **B** **C#**  
And I think that your body does rule,

**F#** **B** **C#** **F#** **B** **F#** **C#**  
That s why I wish, I was you so I could fuck me, me, me, me.

**F#** **B** **C#**  
Well I know, that I do kick ass in bed,

**F#** **B** **C#**  
And I would give my ownself head,

**F#** **B** **C#** **F#** **B** **F#** **C#**  
If I could, be you so I could fuck me, me, me, me.

**B** **F#**  
I d like to sacrafice your persona,

**G#** **C#**  
On the altar of my balona.

(Instrumental - just like verse)

**F#** **B** **C#**

**C#** **B** **C#**  
And I would worship my own rod,

**F#** **B** **C#** **F#** **B** **F#** **C#**  
If I could, be you so I could fuck me, me, me, me.

**B** **F#**

**G#** **C#**

On the altar of my balona,

(Spoken)
