**Haywire**

Deterred

**Dm F A**

Make me notice your innocence

**Dm F A**

My heart stops beating when you lie

**Dm F A**

**A A A A A A A F F F E**

When will you just see the bliss

**Dm A**

Say what's in your head

**Dm**

How are you feeling

How is life today

**Dm** **A**

I wouldn't share the bed cause

**Dm** **A**

I've come to play

**F** **A**

When will you just see the bliss

**F** **A**

Oh no

**F** **A**

When will you just see the bliss

**F** **A**

Oh no

**Dm** **A**

Say what's in your head

**Dm**

How are you feeling

How is life today

**Dm** **A**

I wouldn't share the bed cause
