Somebody s Best Friend
by Hazel from off their first album Toreador of Love

Transcribed by Emil Henricson

OK, this is an easy song to play, the problem is the lyrics. I know that they re not correct, so I have put the words that I m unsure about in brackets.

Somebody s Best Friend
by Hazel

intro: **G A A A**
verse: **G A**
chorus: **E B B A A B B A G A**
outro: **A A A G**

Lyrics:

Cut into the soil, just like a soul
A coffin of (angel-?) reminds me I don t like to brood anymore
She goes down to the soil and sets her hand on fire
to prove she don t feel for me
I wait for dignity to tell me
she is wrong
she is wrong
she is wrong
I am not what is wrong here

chorus:
Somewhere, I forget where
supposedly I am somebody s best friend

So, I wait at home, (engage) in the backlash
(hunchstruck)I stumble
A cemetery tomb(step) and think of the gravestone
Here lies a solitary note from an angel
that said this would work out just like a dream

A fond sweeping motion that carries me to sleep at night

chorus

No binal pretentions, no honourable mentions

I drink my way to sleep

Dreaming, dreaming, dreaming, dreaming, dream, dreaming, dreaming

I want to wake up in my own bed again

I want to wake up in my own bed again

I want to wake up in my own bed again

chorus
