C C/G
La da da dum dum dum

La da da dum

C C/G
What do you know? I went and got myself all in a mess,
C
Get a little invest, you re not gonna mess it up this time.
C/G
Here we go, yes is now, I m melting us together,

I m feeling a little bit crazy, I m thinking that maybe
C
I could blow your mind,
C C/G
If that s all right.

-- Chorus --

C C/G
I d love to take you away from here,
Am F
Hold on and magically disappear, it s all the rush from the inside out,
G C C/G
A feeling I couldn t breathe without.
-- --

C C/G
Who would ve known that I could ever feel this way?
C
You re miles away, unless you say I m with you today, where you are!
C/G
I ll meet you oh so very far, so grab your guitar and jump in my car,
C
Alone and away a ay, yeah.
C C/G
That s okay-ay-ay-ay-ay- yeaah

-- Chorus --...

C C/G
Take all of me, hold on tight.
Am
This time, I swear that we ll do it right.
F
