

**Breathe
He Is We**

D A G A

D
Harness your heart, and be still now
A
Quiet that mind that will wander
G A
All sorts of dark alleys

D
Tragedy strikes your self esteem
A
Constantly waiting for an ending
G A
To all of this

Em
She opens her eyes
A
Suddenly she cries
G
Can we help her, can we help her?
G
And she replies:

D A
You know, I fake it oh so well
Em
That God himself canâ€™t tell
G D
What I mean and why my words are less than parallel
A
With my feet
Em
You ask me what I need
G
And all I really need
D
Is to breathe

A
Oooohh
G A
Ahhaah

D
People, they seem so interested

A

Only a few get invested

G

A

With all the aches and pains

D

Doctor oh doctor, please help her

A

I fear she may not be breathing

G

Blue lips, and doe eyes

A

That's her disguise.

D

A

You know, I fake it oh so well

Em

That God himself can't tell

G

D

What I mean and why my words are less than parallel

A

With my feet

Em

You ask me what I need

G

And all I really need

D

Is to breathe

D

Ooooooh

A

Oooooh, oh

G

Ooooooh

A

Ooooooh

D

(Ooooooh)

Give me some space to breathe

A

(Oooooh, oh)

I need a little room to breathe

G

Give me some space to breathe

A

Bm

All I need is a little room to breathe.

(Oooooh)

D

A

I fake it oh so well

G

That God canâ€™t tell

D

You know, I fake it oh so well

A

Em

That God himself canâ€™t tell

G

What I mean and why my words are less than parallel

D

A

With my feet

Em

You ask me what I need

G

And all I really need

D

Is to breathe

D

Let me breathe
