G
Let me introduce myself,
D
Iâ€™m all smiles.

Em **C**
You may know me as a former â€œmost love only last a while.â€™
G **D**
Pessimistic, so realistic,
Em
You get the picture.

G **C** **Em**
I met you now my world is so much bigger.

Em **C**
Upside down, off the ground is what you do.

Em **C**
When you touch me, itâ€™s like the very first time.

Em **C** **D**
Iâ€™m so lucky, to say that youâ€™re mine.

Em **C**
I still get those stupid butterflies,

Em **C**
But itâ€™s just what you do,

G
Iâ€™m loving everything you do.

Em **C**
Do do do do do do do do do
G **D**
Do do do do do do do do do
Em **C**
Do do do do do do do do do do

G
Crazy how it happened so fast,
D
Truly blows my mind.
Em
Going on a hunt for four leaf clovers,
C
To wake up to that smile each sunrise.
G
Whenever Iâ€™m not by your side,
D
I get home sick.
Em **C**
A little pathetic, with a dash of ooey gooey so romantic.

Em **C**
Upside down, off the ground, God I love you.
Em **C** **D**
upside down off the ground, is what you do.

Em **C**
When you touch me, itâ€™s like the very first time.
