

Forever And Ever
He Is We

So, this is just by ear since I got tired of waiting for someone to post the chords. If you figure out a better version, please post it! I love this song:) Basically Just G, Em, D9, C the whole way through, just mixed up occasionally.

CAPO 6

G Em D9
Home is where you are,

Kind of tragic that I left your side.

I recall a smile, a kiss.

When the sun did rise,
 Em D9 C
By your side, I was by your side.

I gotta tell you how it feels now.

G Em
 You're my air, when I feel I can't breathe.
 D9 C
 Catching me, when I'm tripping over my feet.

 We'll get through this together.
 G Em
 You're my smile, when I just want to cry.
 D9 C
 Make it all better as you kiss my sad eyes.
 G Em D9 (hold) G Em D9 C
 I'm giving you my forever and ever.

The hug, the kiss, the love.
C G
All the magic that weâ€™re feeling inside,
Em D9 C
Deep inside, deep inside.

Itâ€™s hard to find the words,
C G
The courage is somewhere inside,

Deep inside, deep inside.

If I only had a breath what would I want to say?

Something sweet, something real, something real sweet.

Only one thing,

Oh only one thing, came to me.
