

**Our July In The Rain**  
**He Is We**

CAPO 2

**Am**                    **E**                    **C#M**  
Bring me back to holding hands in the rain,  
  
I swear I d ease your pain.

**Am**                    **E**                    **B**  
Lift you up so you could finally see

**Am**                    **E**  
I ve had time and I ve had change

**C#M**                    **B**                    **Am**  
I ve been broken but still I can t explain.

**B**  
Our July...

**E**                    **B**                    **Am**  
Why d I have to go and do you like that?

**E**                    **B**                    **Am**  
Thought I d moved on, but you brought me right back.

**E**                    **B**                    **Am**  
To the night you took my kiss away from me.

**E**                    **B**                    **Am**  
I took yours too, then I lost you. Would you?

**Am**                    **E**                    **C#M**  
Bring me back to holding hands in the rain,  
  
I swear I d ease your pain.

**Am**                    **E**                    **B**  
Lift you up so you could finally see

The love you are to me.

**Am**                    **E**  
I ve had time and I ve had change

**C#M**                            **B**                    **Am**  
I ve been broken but still I can t explain.

**B**                                    **E B Am B**  
Our July in the rain

**E B Am B**

**E**                            **B**                            **Am**  
Every part of me is broken now

**E**                            **B**                            **Am**  
I try to scream but nothing came out

**E**                    **B**                    **Am**  
Drop my pride and I reveal my insides

**E**                    **B**                    **Am**  
and it all came pouring out. Would you...

**Am**                            **E**                            **C#M**  
Bring me back to holding hands in the rain,

I swear I d ease your pain.

**Am**                            **E**                            **B**  
Lift you up so you could finally see

The love you are to me.

**Am**                            **E**  
I ve had time and I ve had change

**C#M**                            **B**                            **Am**  
I ve been broken but still I can t explain.

**B**

Our July in the rain

BREAK

**C#m**                      **E**                      **B**  
This melody will never speak all the things I regret if I could say anything

**C#m**                      **Am**    **B**  
My apologizes for the way I ended things say I love you

**C#m**                      **E**                      **B**    **C#m**                      **B**  
But you re scared of me, you re scared of me, you re scared of me, would you  
please

**Am**    **E**    **C#M**  
Bring me back to holding hands in the rain,

I swear I d ease your pain.

**Am**                      **E**    **B**  
Lift you up so you could finally see

The love you are to me.

**Am**    **E**  
I ve had time and I ve had change

**C#M**    **B**    **Am**  
I ve been broken but still I can t explain.

**B**  
Our July...
