

Pardon Me
He Is We

Pardon me - He Is We
By Ellen

Note: I m not sure, but it sounds good I think.

G **D**
Pardon me for my lack of excitement,
Em **C**
But Iâ€™m not entirely thrilled.
G
Stutter when I talk,
D
Flail around as I walk,
Em **C**
Yeah the momentâ€™s been killed.
G **D** **Em** **C**
And Iâ€™m not good at this no, not all.
G **D** **Em** **C**
Iâ€™m not good at this.

G **D**
Iâ€™m a wreck and I know it,
Em **C**
And I tend to show it every chance that I get.
G **D** **Em**
Butterflies in the skies, they just fly on by.
C
Yeah theyâ€™re making me sick.
G **D** **Em** **C**
They donâ€™t flutter about, Iâ€™d do without.
G **D** **Em** **C**
All they do is kick.

G **D** **Em-C**
Mean it truly,
G **D** **Em-C**
Sincere heart.
G **D** **Em** **C**
Why do you do this to me?
G **D** **Em-C**
Tear me apart.

Itâ€™s my fault and I know it,
And I tend to blow it, no thanks to you.

Its like you sit and you watch me,
You poke and you taunt me, itâ€™s all that you do.
And Iâ€™m not fighting that no, not at all.
Just want to be something, a name you call.
The lips you taste just to fall, madly in love.

G **D Em-C**

Mean it truly,

G **D** **Em-C**

Sincere heart.

G **D** **Em** **C**

Why do you do this to me?

G **D** **Em-C**

Tear me apart.

G

I got my eyes set on you,

D

My heart is burning red.

Em

All of my words come out wrong,

C

Run circles in my head.

G

You had me and I melted,

D

In the palm of your hand.

Em

You know it yes I felt it,

C

Youâ€™ll never understand.

G **D Em-C**

Mean it truly,

G **D** **Em-C**

Sincere heart.

G **D** **Em** **C**

Why do you do this to me?

G **D** **Em-C**

Tear me apart.

G **D Em-C**

Mean it truly,

G **D** **Em-C**

Sincere heart.

G **D** **Em** **C**

Why do you do this to me?

G **D** **Em-C**

Tear me apart.
