**He Is We**

Capo 3

[Intro]

**G D Em C**

[Verse]

**G** Youâ€™re the boy with a real nice smile

Are you giving up and done?

**Em**  
Are you through with all this?

Are you tired of the pain? Torn to pieces

**Em C D**  
Can you let me try?

[Chorus]

**G** Tell me itâ€™s all right, just for one night  
**D**

**Em C**  
Show you how to feel like, what it feels like.

**G D**  
To be hugged, to be kissed

**Em C G**  
Yes, I can be that part of you

Iâ€™ll try my best
