

**Tell Me
He Is We**

No Capo!!

D
Stand in the mirror and
A **G** **Bm** **A**
Try to imagine forever

D
What does it look like
A **G** **Bm** **A**
Facing my greatest endeavor

Bm **A**
Suddenly closing my eyes
G
Hands up for the very first time
D **A**
Iâ€™m closing my eyes

D
Tell me Dont give up
Bm
Tell me Theres someone out there
G
Give me a pure love
A
Give me a forever that we both can share

D
Show me its okay
Bm
Show me its all right
G
That Im far from crazy
A
For living by faith and not by sight

Bm G A
Ohh

D
Will he be proud of
A
All the things Ive done
G **Bm** **A**
And my mistakes

D

Things that I regret

A

Wishing that I could forget

G **Bm** **A**

My heartbreaks

Bm

Suddenly closing my eyes

A

Hands up for the very first time

G **D** **A**

Iâ€™m closing my eyes

D

Tell me Dont give up

Bm

Tell me Theres someone out there

G

Give me a pure love

A

Give me a forever that we both can share

D

Show me its okay

Bm

Show me its all right

G

That Im far from crazy

A

For living by faith and not by sight

Bm G A

Bm

Eyes can only see so far

A

Tired of wishing on all these stars

G

So I close my eyes and pray

A

Nothing comes to mind

so I let my heart say

D

Tell me dont give up

Bm

Tell me theres someone out there

G

Give me a pure love

A

Give me a forever that we both can share

D

Show me its okay

Bm

Show me its all right

G

That Im far from crazy

A

For living by faith and not by sight

Tell me Dont give up

Tell me Theres someone out there

Give me a pure love

Give me a forever that we both can share

Show me its okay

Show me its all right

That Im far from crazy

For living by faith and not by sight

Give me a love

Give me a love

Give me a pure love

Give me a love

Give me a love

A pure love
