

Beating Heart Baby
Head Automatica

I ve been doing this song a couple times for an acoustic set
and it seems to really get a good response from the crowd,
so I thought I d share its simplicity with the rest of the world.
Best on acoustic with full chords until the bridge and the key change.

Beating Heart Baby

All (Capo 3)

Verse:

Am, C

Chorus:

F, Am, G, F, E

Bridge:

C, B, C, G#

or

```
