

**Shes Not It Acoustic**  
**Head Automatica**

This is just a very simple way of playing the song.  
I m not positive about the pre-chorus or bridge.

Intro/Chorus:

She s not it...

**F C G C (x4)**

Verse:

You know I m glad that she s not alive...

**F C G C (X 4)**

Pre-Chorus:

But you know me, I will do what I gotta do, in spite of you...

**Am C F Dm (x2)**

...Miserably

**F**

CHORUS:

(See Intro)

2nd verse (Same as first)

Bridge:

Cause I m leaving

**Am**

I m Leaving

**C**

And I just can t help these

**F**

Just can t help these feelings

**G**

I m still breathing

**Am**

No more deceiving

**C**

And I just can t help these

**F**

Just can t help these feelings

**Dm**

CHORUS (x2)

Enjoy.
