*Oh boy! A song from my one and only crush...oh heart, ang ganda mo talaga as in...grabeh, the melody to this song is spectacular, i love the way the rhythmic progression sa song..way to go, plus ganda din boses ng crush ko...heart ang ganda mo talaga...well enough sa praise, lets get down to the song..i dont know if one guitar has capo in it, i can hear some high notes kasi eh..but well, as usual, alang capo na naman ung transcription ko..it has 3 guitars, ung 2, puro overdubbed kaya very melodic ung song...the solo has 2 instruments working in it, the guitars and keyboards..Ung ibang mga fill in ng song ay di ko na sinali, kayo na bahala mag fill in nun, pra di maxadong plagiarism ang labas..the chord progression strumming is really groovy, so sanayan nyo lang tenga nyo sa pakikinig sa cd..itll become second nature..just listen to it..happy pickin ..

The Lyrics:

One
By Heart Evangelista

Hoo...

Verse:
One Night, One Kiss
Only One Feeling Exist

One Breath, One Touch
But I've Never Felt This Much

Chorus:

And I, I Wanna Share My Whole Life With You
I Wanna Keep On Dreaming Dreams And With You
Make Them All Come True
As I Lay Inside Your Arms And
Rest My Head Upon Your Shoulder
Believe Me There's Nothing That
I Can't Do Whenever We're Together

Verse:

One Time, One Place
With The Warmest Sweet Embrace
One Joy, One Pain
Only True Love Can Sustain

Chorus:

And I, I Wanna Share My Whole Life With You
I Wanna Keep On Dreaming Dreams And With You
Make Them All Come True
As I Lay Inside Your Arms And
Rest My Head Upon Your Shoulder
Believe Me There's Nothing That
I Can't Do Whenever We're Together

Bridge:

I Can Never Be The Same Girl That I Used To Be
I'm Stronger Now Cause
You've Made Me Face The Fear In Me
And You Don't Have To Prove Yourself At All
And Making Wrong Things Right
The Fact That You Love Me
Makes Everything All Right

Chorus:

And I, I Wanna Share My Whole Life With You
I Wanna Keep On Dreaming Dreams And With You
Make Them All Come True
As I Lay Inside Your Arms And
Rest My Head Upon Your Shoulder
Believe Me There's Nothing That
I Can't Do Whenever We're Together

Chorus2:

And I, I Wanna Share, Share My Whole Life With You
I Wanna Keep On Dreaming, Dreams Do Come True
As I Lay Inside Your Arms And
Rest My Head Upon Your Shoulder
Believe Me There's Nothing That
I Can't Do Whenever We're Together

Last Filled-in Chorus:
Honey Keep On Dreaming
Nothing That I Can t Do
Nothing That I Can t Do
Only When I m With You
