Heart

[Intro] G C G C

G Bm
It was a rainy night when he came into sight
C G
standing by the road, no umbrella, no coat

Bm
So I pulled up along side and I offered him a ride
C D
he accepted with a smile, so we drove for a while

G Em
I didn't ask him his name, this lonely boy in the rain
C
Fate tell me it's right, is this love at first sight
D
Please, don't make it wrong, just stay for the night

G C
All I wanna do is make love to you. Say you will you want me, too
G C
All I wanna do is make love to you. I've got lovin' arms to hold on to

G Bm
So we found this hotel, it was a place I knew well
C G
We made magic that night. Oh, he did everything right
Bm
He brought the woman out of me, so many times, easily
C D
And in the morning when he woke, all I left him was a note

G
I told him I am the flower you are the seed
Em
we walked in the garden, we planted a tree
C
Don't try to find me, please don't you dare
D
Just live in my memory, you'll always be there

G C
All I wanna do is make love to you, one night of love was all we knew.
G C
All I wanna do is make love to you, I've got lovin' arms to hold on to
D Em
Oh, ooh, we made love, love like strangers

C **G**
