**Gb      Ab      Ebm                      Gb**

(VERSE) (Ab) (Ebm) Daddy s little soldier boy  
(Gb) Mama s little pride and joy (Ab)  
(Ebm) Both hands on her apron strings  
Don t (Gb) you touch that dirty thing (Ab)  
A (Ebm) warning signal from above  
In (Gb) spection with a clean white glove (Ab)  
They say (Ebm) that opposites attract like (Gb) right and wrong (Ab)  
Black on (Ebm) black

(CHORUS) Like pleasure and a little pain (Gb)  
The (Ab) sacred and profane (Ebm)  
Ice and fire counter (Gb) act like (Ab) black on black

(VERSE) The oldest story known to man  
The willing sacrificial lamb  
Behind the light a shadow falls  
The code of silence shakes the walls  
A whisper to a silent scream  
The power is so frightening  
They say that opposites attract like right and wrong  
Black on black

(CHORUS)

(VERSE) Some things seem so sacred  
Like a loaded question the power of suggestion  
Like the face of danger the kindness of a stranger  
Like a Judas Kiss like pleasure and a little pain  
Immaculate seduction absolute corruption  
Ice and fire counteract no turning back like black on black  
Black on black.  
Black on black

(CHORUS)
