

**Dog And Butterfly  
Heart**

[Verse 1]

**A** **E**  
There I was with the old man, stranded again, so off I ran  
**Asus2** **E**  
**C#7**  
A young world crashing around me; no possibilities of getting what I need  
**F#m** **B**  
He looked at me and smiled,  
**Bsus4 B** **Bsus2 B7sus2 D E**  
said No, no, no, no, no, no child

[Chorus]

**Asus2** **Amaj9**  
See the dog and butterfly, Up in the air he like to fly  
G(no3rd) **Dsus2** **Asus2**  
**Amaj9**  
Dog and butterfly, Below she had to try  
**F#m** **C#m**  
She roll back down to the warm, soft ground,  
**F#m** **B**  
Laughing, She don t know why  
**Dsus2**  
**Amaj9** **Asus2**  
She don t know why, Dog and Butterfly

[Verse 2]

**A** **E**  
Well I stumbled upon your secret place, Safe in the trees, you had tears on your  
face  
**Asus2** **E**  
**C#7**  
Wrestling with your desires; frozen stangers stealing your fires  
**F#m** **B**  
The message hit my mind,  
**Bsus4 B** **Bsus2 B7sus2 D E**  
Only words that I could find

[Chorus]

**Asus2** **Amaj9**  
See the dog and butterfly, Up in the air he like to fly

She had to try, She had to try,

Dog and Butterfly

[Outro]

(chorus chords)

Up in the air he like to fly

Dog and butterfly, Below she has to try

She roll back down to the warm, soft ground,

Laughing, she don t know why,

She had to try, She had to try, Dog and Butterfly
