Hey You Heart Artist: Heart Album: Red Velvet Car Track: Hey You **** This is the way Ann Wilson plays the acoustic guitar for this song when performed live. Throughout the song you can play an Asus4 after every A chord to replicate Nancy s auto harp sound***** The F#7sus4 should look like this (222422) Intro: A You ve been down this lonely F#m You have kissed the face of sorrow You have bought what you ve been sold F#m But you still will buy tomorrow Α You are one of a kind You are some kinda fine Α Hey You (Hey You) F#m Until the heavens and the stars Refuse to shine (Hey You) Until the drakness and the light decide to rhyme (Hey You) Until forever and a day run out of time Неу

Swear by my September stars

F#m

```
I will go where you are going
Forever s never very far
F#m
As my love is overflowing
                       F#m
With your cards up in your sleeve
Did you fumble with your keys?
         Α
Hey You
(Hey You)
F#m
Until the heavens and the stars refuse to shine
(Hey You)
Until the drakness and the light decide to rhyme
(Hey You)
F#m
Until forever and a day run out of time
Hey
Na na na.....
E A F#m F#7sus4 (X4)
Α
The chilly wind of wanderlust
I ve been out for so long
Choking on the diamond dust
F#m
And the symphony is gone, gone
Are you tangled in the trees?
Did it bring you to your knees?
                   F#m
       Α
Have you had enough of me?
Α
           F#m
                F#7sus4 (X8)
