Swear by my September stars

G#m

## Hey You Heart Artist: Heart Album: Red Velvet Car Track: Hey You \*\*\*\* This is the way Ann Wilson plays the acoustic guitar for this song when performed live. Throughout the song you can play an Asus4 after every A chord to replicate Nancy s auto harp sound\*\*\*\*\* The F#7sus4 should look like this (222422) Intro: B You ve been down this lonely G#m You have kissed the face of sorrow You have bought what you ve been sold G#m But you still will buy tomorrow You are one of a kind You are some kinda fine В Hey You (Hey You) G#m Until the heavens and the stars Refuse to shine (Hey You) Until the drakness and the light decide to rhyme (Hey You) Until forever and a day run out of time Неу

```
I will go where you are going
Forever s never very far
G#m
As my love is overflowing
                       G#m
With your cards up in your sleeve
Did you fumble with your keys?
         В
Hey You
(Hey You)
G#m
Until the heavens and the stars refuse to shine
(Hey You)
Until the drakness and the light decide to rhyme
(Hey You)
G#m
Until forever and a day run out of time
Hey
Na na na.....
F#
   B G#m G#7sus4 (X4)
В
The chilly wind of wanderlust
I ve been out for so long
Choking on the diamond dust
G#m
And the symphony is gone, gone
       В
Are you tangled in the trees?
Did it bring you to your knees?
       В
                   G#m
Have you had enough of me?
           в
F#
    В
           G#m
                 G#7sus4
                            (X8)
```
