Sanctify my crazy head

You re there inside me in my dreams
Sexy poems cinematic scenes
Shattered lullabies unfold, sweet suggestions I have never known
Pull down the shade turn off the light
Oh my love we re all alone tonight
Shadow dancing in slow-mo
For your eyes I will let it show
You can feel me glow
Baby love me out, love me out of this world
No alibis no more regrets
You re my wayward angel
You re my saving grace
Sanctify my crazy head
