```

```

           Bm                A
Quite some time, I been sittin it out

           G
Didn t take no chances

           E
I was a pris ner of doubt

           Bm
I knocked down the wailin wall

           A
Ain t no sin

           G                E
Got the feel of fortune; deal me in

           Bm                D9                Bm                D9
Comin straight on for you. You made my mind

           Bm                D9                A
Now I m stronger. Now I m comin through

           G                F#7
Straight on, straight on for you

           Bm                F#7
Straight on for you

           Bm                A
Now I know I got to play my hand

           G                E
What the winner don t know, a gambler understands

           Bm
My heart keeps playin it through

           A
with you, my friend

           G                E
I ll take my chances on you again and again...again

```
