**C**

I ain t comin down

I got someone who loves me tonight

I got over a thousand dollars in the bank

And I m all right

Look deep in the eyes of love

Look deep in the eyes of love

And find out what you were looking for

I got a room at the top of the world tonight

I got a room at the top of the world tonight

I got a room at the top of the world tonight

And I ain t comin down, no I ain t comin down

I wish I could feel you tonight, little one  
You re so far away  
I wanna reach out and touch your heart  
Yeah like they do in those things on TV, I love you  
Please love me, I m not so bad  
And I love you so

I got a room at the top of the world tonight  
I got a room at the top of the world tonight  
I got a room at the top of the world tonight  
And I ain t comin down, no I ain t comin down  
I ain t comin down

Happy strumming! =^..^=
