

**Hold Your Head High
Heartless Bastards**

Hold Your Head High - Heartless Bastards

Played in bars, throughout the song Erika pulls-off and hammers-on the low E string with her first finger

F# B F# B F#

F# B F#
I made a lot of choices most have not been wise

F# B F#
But I have some really good friends Iâ€™ve been fortunate to find

F# B F#
They get me through the lonely days when I want to stay inside myself

F# B F#
They get me out of my shell out into the world

F# C# B F#
I am coming back Iâ€™m coming back again

F# C# B F#
I had lost everything and then I got it back again

F# C# B F#
I dug myself so deep, deep into a hole

F# C# B F#
That getting out was so far beyond my control

F# B F#
In the past Iâ€™ve always had trouble on my mind

F# B F#
Iâ€™m gonna take that feeling and leave it far behind

F# B F#
As I go down this path traveling through my fate

F# B F#
Lately I have begun to awake

F# **C#** **B** **F#**
It started out in Jackson and we moved across the land

F# **C#** **B** **F#**
And all the dehydration turned soil into sand

F# **C#** **B** **F#**
And then one day they hauled me away

F# **B** **F#**
And I was out there, out on my own

F# **B** **F#**
The thieves they came and went

F# **B** **F#**
They took everything in site

F# **B** **F#**
And then we got it back again

F# **B** **F#**
Oh I had to fight

F# **C#** **B** **F#**
And now then I woke up from the middle of the strangest dream

F# **C#** **B** **F#**
And everyone was there that I ever knew and they all began to sing

F# **B** **F#**
Hold your head high just as high as you can

F# **B** **F#**
Things will work out soon things will come round again

F# **B** **F#**
You see Iâ€™ve got this fascination with all the wrong ways to go

F# **B** **F#**
I get lost even in the places that I know

F# **B** **F#** **B** **F#** **B** **F#** **B** **F#**

F# **B** **F#**
Hold your head high just as high as you can

F# **B** **F#**
Things will work out soon things will come round again ooh
