

**The Shepherds Song God With Us  
Hearts of Saints**

[Intro]

D | D | Dsus | Dsus |

[Verse 1]

          D                          Dsus  
On a cold cold night, so long ago  
          D                          Dsus  
The skies rolled back, what a sight to behold  
          Bm                          A  
when an angel appeared, to the shepherds and spoke  
D          Dsus  
Glory, Glory

[Verse 2]

          D                          Dsus  
As they trembled with fear, he said don t be afraid  
          D                          Dsus  
Oh I come with good news, the savior is born on this day  
          Bm                          A  
And it echoed like thunder, as every angel voice sang  
D          Dsus  
Glory, Glory

[Pre-Chorus]

Bm  G      D      A  Bm      G      A  
Oh                  Oh

[Chorus]

          G          D          A      Bm  G          D          A  
We sing glory to God in the high - est, hope and redemption have come  
          G          D          A      Bm  G      A      D      D  
We sing glory to God in the high - est, E-manual God with us

[Verse 3]

          D                          Dsus  
And from that night til now, the joyous refrain  
          D                          Dsus  
Oh, it grows stronger still, in the heart of the saints  
          Bm                          A  
And it cannot be silent, oh we proudly proclaim  
D          Dsus  
Glory, Glory

[Pre-Chorus]
