

We Were A Fire
Heather Morgan

[Intro]

Em

[Verse]

C

You looked at me from across the room

Am

Your smile shot an arrow through

G

F

My heart with the aim of a bullseye

Em

You got me on the first try

C

I was fallin for ya, yeah I was

Am

I was all in for ya maybe because

G

F

There was something that I couldn t explain

Em

From the moment that you said my name

D2

Then I fell into your arms

C

We settin off all the alarms

[Chorus]

Am

We were a fire

G

D

Every touch fanned the flames

Am

We were a fire

G

D

The kind you can t contain

Am

Caught up in a crazy dream

C

Every kiss was like gasoline

G

D

Burnin through our veins

Am

We were a fire

(Break)

Em

Now I m never gonna be the same

[Verse]

C

Got carried away, yeah we couldn't help it

Am

Tossed in the blaze, yeah I know you felt it

G

F

Like a passion that you can't fight

Em

Out of control tryin' to hold on tight

C

When you're runnin' wild baby there's no cure

Am

There for a while everything was a blur

G

F

But now there's ashes at my feet

Em

That's all that's left of what we used to be

[Chorus]

Am

Cause we were a fire

G

D

Every touch fanned the flames

Am

We were a fire

G

D

The kind you can't contain

Am

Caught up in a crazy dream

C

Every kiss was like gasoline

G

D

Burnin' through our veins

Am

We were a fire

Am

Em D

Now I'm never gonna be the same

Am

Em D

Now I'm never gonna be the same

[Bridge]

C

G/B

D

And even though we burned out in the end

C

G/B

D

I'd still do it all over again

[Chorus]

Am

G

D

We were a fire mmmmmmm

Am

G

D

We were a fire yeah, yeah

Am

We were a fire

G

D

Every touch fanned the flames

Am

We were a fire

G

D

The kind you can't contain

Am

Caught up in a crazy dream

C

Every kiss was like gasoline

G

D

Burnin' through our veins

Am

We were a fire

(Break)

Em

Now I'm never gonna be the same
