

## Avalanche

Heather Nova

Intro

**D Dsus4**

Verse

**D Dsus4 D**

I lie in the field in the trailer park of my dreams

**D G**

Saving up for someday but what does someday mean

**D**

And I m young but I ll let it slip on by

**G**

Be co-dependent and I m lost inside

Chorus

**A G**

And you, you look like freedom

**D G**

You look like the avalanche I need

**D G**

The avalanche I need

Verse

**D Dsus4 D**

And there s a road.... leads away from here

**G**

And everyday I stand in place and I watch it disappear

**D Dsus4 D**

And there s a bird.... circles in my mind

**G**

Security s the whore in me that never lets me fly

Chorus

**A G**

And you, you look like freedom

**A**

**G**

And you, you look like change

**D**

**G**

You look like the avalanche I need

**D**

**G**

The avalanche I need

Bridge

**Em**

**C**

With your sunburned soul and your hunger for the road

**Em**

**C**

I m snowblind and I m crying after like nothing matters

**Em**

**C**

When you go down take me when you go down, yeah, make me

**Em**

**C**

**Em**

Go down I got a hunger you could feed

Chorus

**D**

**G**

You re the avalanche I need

**D**

**G**

The avalanche I need

Verse

**D**

**Dsus4**

And I know it s a fine line divides

**D**

**G**

The place I m looking for and what s inside

**D**

And I know it s a long, long way

**D**

**G**

Through the outskirts of everyday

Chorus

**A**

**G**

And you, you look like freedom

**A**

**G**

You, you look like change

**D**

**G**

You look like the avalanche I need

**D**

**G**

The avalanche I need

**D**

**G**

Avalanche... to fade.
