I Miss My Sky Amelia Earharts Last Days Heather Nova

/ I Miss My Sky / female pilot to cross the Atlantic in history ca	lled
Amelia Earhart.	
/ Redbird / After her achievements the news was spread all ar	ound the
world, but	
// unfortunately she crashed on an uninhabited island	on her
way back to	
glory. This song is about her lonely last, stranded	days at
the unknown,	
imprisoning island. It s about how the sky, which she longed for surroyet she	unded her
trapped was to the ground, and her frustrations about why she hadn t j in the crash.	ast died
