

Say Something
Heather Nova

Verse

C **Am**
Say something let it fly

Dm **G**
Darkness is here and so am I

C **Am**
Say something I don t care

Dm **G**
Just let the words spill everywhere

Chorus

C **Am**
And I just lie awake

Dm **G**
And watch the stars

C **Am**
There is no-one can take

Dm **G**
This light of ours

G **G** **C**
Except for you, so get it through to me

Verse

C **Am**
Say something I believe

Dm **G**
There s still a chance for this to breathe

C **Am**
Say something make it real

Dm **G**
And risk it all for what you feel

Chorus

C **Am**
And I just lie awake

Dm **G**
And watch the stars

C **Am**
There is no-one can take

Dm **G**
This light of ours

G **G** **Am**
Except for you, so get it through to me

Bridge

Am **F** **Em** **Am**
Your silence is not golden, ooh

Am **F** **Em** **Am**
Your words have not been stolen, ooh

Am **F** **Em** **Am** **G**

Verse

C **Am**
No matter in my head

Dm **G**
I hear the words you never said

Chorus

C **Am**
And I just lie awake

Dm **G**
And watch the stars

C **Am**
There is no-one can take

Dm **G**
This light of ours

G **C**
Except for you, ooh
