From : DVD Live at the Union Chapel

Capo 3

Am Dm

Storm s out on the water

F

I watch it getting closer

Am

Are you coming home ?

Dm

All these years we ve wandered

F

Trying to break the cycle

Am

All these years of hope

CHORUS

G Em

And my heart feels the strain

F D

But it makes me feel like i am alive again

F D

Well sometimes in our lives

F C

We need the pain

Am Dm

So I find some candles

F

Put out all the anchors

Am

Pull the shutters down

Dm

It makes me think about us

F

All those things that got lost

Am

Still we re holding on

CHORUS

G Em

And my heart feels the strain

F D

But it makes me feel like i am alive again

F D

Well sometimes in our lives

F C

We need the pain

C

The wind, the rain

Am

The storm will wash us clean again

C

The wind, the rain

Am

The storm will shake us up again

C

The wind, the rain

Am

The storm will make us think again

C

The wind

Am

And maybe we can start again

Am Dm

Storm s out on the water

F

Sea and sky become one

Am

Are you coming home ?
