

Talk To Me
Heather Nova

Verse

C **G** **F**
Talk to me, talk to me, like you used to darling

C **G** **F**
I know it s cold, I know it s late but lets go out walking

C **G** **Am** **G**
Cos we haven t found each other in a long time

C **G** **Am** **G**
And we have been treading water living side by side

Chorus

C **G** **F**
You take my breath away, yeah you still do

C **G** **Am**
Even though we ve been down

C **G** **F**
So c mon talk to me, c mon

C **G** **Am** **G**
Even though we ve been down so long

So long long, long long long

Verse

C **G** **F**
Come to me, come to me like you used to darling

C **G** **F**
Every day, every way we ve been losing something

C **G** **Am** **G**
Cos we haven t held each other in a long time

C **G** **Am** **G**
And I need to feel your body close to mine, oh

Chorus

C G F
You take my breath away, yeah you still do

C G Am
Even though we ve been down

C G F
So c mon talk to me, yeah yeah

C G Am G
Even though we ve been down so long

Long long, long long long long

Bridge

F G
Cos it s still inside you and it s still inside me

F G
Still in our blood in our memory

F G
I m still longing for you, are you longing for me

Long long, long long long

Chorus

C G F
You take my breath away, yeah you still do

C G Am
Even though we ve been down

C G F
You take my breath away, yeah you still do

C G Am
Even though we ve been so down

C G F C G Am
You give me the feeling and I love to feel, long long long long,

C G F C G Am
You re giving it all before we ll ever take around long long long long

C G F
So long long talk to me talk to me yeah

C G Am

So long long talk to me talk to me

C G F

C G Am

So long long long long long long long mm
