

**What A Feeling**  
**Heather Nova**

Let me know if it sounds okay, I m not totally sure these are exact, but they seem to work.

Verse

**A** **F#m**  
Now s the time when this will turn to fruit

**A** **F#m**  
All the poppies gonna push up through

**E** **F#m**  
And I can see the ground below

**A**  
The places that I know, disappearing

**E** **F#m**  
And I can see the winter fade

**A**  
I don t feel so afraid, it s clearing

Chorus

**E** **F#m**  
Oooh, what a feeling

**E** **F#m**  
Oooh, what a feeling

**E** **F#m** **E** **F#m**  
Ooooooh, what a feeling

Verse

**A** **F#m**  
Life is only halfway in our hands

**A** **F#m**  
Years of past words making plans

**E** **F#m**  
And I could never find the words

**A**  
I always felt absurd, and always outside

**E** **F#m**  
And now I know I shouldn't care

**A**  
There's a song already there, waiting inside

Chorus

**E** **F#m**  
Ooh what a feeling

**E** **F#m**  
Ooh what a feeling

**E** **F#m** **E** **F#m**  
Ooooooh what a feeling

Instrumental

Verse

**E** **F#m**  
And I can feel the clock unwind

**A**  
The parts of me untied, are running

**E** **F#m**  
And now the birds are in my head

**A**  
The laughter that was dead, is coming

Chorus

**E** **F#m**  
Ooh what a feeling

**E** **F#m**  
Ooh what a feeling

**E** **F#m** **E**  
Ooooooh what a feeling

**A**  
The laughter that was dead, is coming

**E** **F#m** **E**  
Ooooooh what a feeling

**A**  
The laughter that was dead, is coming
